Model shown is a 2024 Outback Wilderness. See your local Subaru dealer for complete details. Vehicles shown solely for purposes of illustration and may not be equipped exactly as shown. Accessories shown and corresponding lifestyle items are extra and may not be available at the Dealer. See Owner's Manual for complete details on system operation and limitations. EyeSight® is a driver-assist system, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, and weather and road conditions. Outback Wilderness and Subaru are registered trademarks. # Leave a legacy. Donate land.

Landowners are at the heart of conservation. Many maritime families own ecologically significant land that's been handed down over generations, creating a deep connection to the land and its history and heritage.

Protect your family's legacy! Donate your land to Island Nature Trust (PEI), Nova Scotia Nature Trust or Nature Trust of New Brunswick so that it's permanently protected for future generations to enjoy and appreciate.
